What we offer

Front-End Support

Whether it's overseeing POS components, securing payment systems, or addressing network challenges, our dedicated team of experts is committed to ensuring the flawless functionality of your POS infrastructure. With our support, you can focus on your core activities while we navigate the intricacies of your POS environment.

Standardized PC & Printer Support

Streamline your technology infrastructure, enhance productivity, and ensure that your PC and printer systems operate at their peak performance.

UNFI Vendor Dispatch Services

We simplify your store equipment issue management by covering a wide range of equipment including meat and deli scales, slicers, freezers, coolers, and other pre-arranged items. Serving as your dedicated single point of contact, we dispatch your preferred vendors, coordinate service calls, and handle required phone tag & follow-up on your behalf keeping you fully updated along the way.

Tailored Service Desk Support

What can we take off your plate? Are your associates fielding phone calls while trying to serve in-store customers? Need help with a unique service you offer? Let's find a solution that fits your unique needs.
